Dear Parents / Carers,

Thank you for your support this half term. We have all really enjoyed our Plants and Birds topic. A highlight was making our bird feeders which you will see around the school grounds and our wonderful whole school book week activities. Thank you so much for your support in encouraging your children to read. We are saying goodbye to our two students, Miss Wadelin and Miss Vessey who have contributed greatly within year 1.

Next half term our topic is animals with a particular focus on farm animals and sea creatures. We are all very excited about launching our topic with a trip to White Post Farm on Wednesday 1<sup>st</sup> May. Letter with final details to follow soon. We shall be inviting you in at 3pm on Wednesday 22<sup>nd</sup> May for the children to share their learning and some yummy fish biscuits that they will have designed and made as part of their DT project. We will be learning the names of the oceans and seas around the UK and some of the fascinating creatures that live in them. We will be starting recorder sessions as part of our music curriculum (recorders provided by school).

There will be no homework or spellings over the holidays.

We hope you have a lovely Easter break,  
Thank you for your continued support,  
Year 1 Team
