

Dear Parents, carers and children of Year 2,

We hope you have had a lovely Easter; relaxing with your family, playing games and... eating lots of chocolate!! Are there any eggs leftover in your house? Over the Easter weekend and the holiday, we hope you have been able to enjoy the outdoors; maybe going for a bike ride, a walk in the fresh air or even playing in your garden. Hasn't the sunshine been lovely?

Thankyou for your pictures – we have loved seeing what you have been up to over the last 2 weeks. Please check out the “Updates from our friends” page on the Year 2 area on our school website to see these images. It has been so lovely seeing you playing and learning with your siblings too. You and your parents have thought of some of your own fantastic activities to keep you smiling! They have really made us smile too. Did anybody try any of the “Easter Fun” activities that we popped on the last letter? We'd love to see if you tried making your own board game, or put on a show for your family? Or let us know what film you chose for your movie night or which pet/cuddly toy you threw a birthday party for? Please don't forget you can send pictures/updates to either the office or Mrs Toom, where they will then be directed to all of your teachers (and we can upload them to the website for you). The email addresses are:

[office@abbeyroad.notts.sch.uk](mailto:office@abbeyroad.notts.sch.uk) or [head@abbeyroad.notts.sch.uk](mailto:head@abbeyroad.notts.sch.uk)

Everybody in Year 2 would like to wish Flora a happy 7<sup>th</sup> birthday! We hope you have a special day making lots of happy memories.

As we enter the Summer Term, we are all still getting used to this “new normal” of Home Learning. We can assure you, that this is not how we would like to spend our last term of Year 2... we miss you! The first link that you will find “20.4.20” provides an outline for all of the activities that we have **suggested** for the week ahead. We would like to stress, as we have mentioned previously, that we would encourage you to do as much/as little as is appropriate for you, your child and your family. We appreciate that what may work for 1 family, may not for another. Please treat this as a “buffet menu” which stretches across each subject in the curriculum and use however much you wish to. What matters most to all of us right now is that you and your families are well and happy. We know you are all doing a fantastic job – as is evident by the smiley, happy pictures we have been receiving.

Keep smiling and take care,

From

The Year 2 Team x
