22nd May 2020

Dear Families,

You made it! It's Friday, it's half-term and hopefully the sun will keep shining. We'd like to thank all of you who have been keeping in touch with your pictures, videos and anecdotes, not to mention "The work". We know how difficult it can be and we just want to say a big well done. So here it is:

We know you can't go on the exciting holidays you may have planned, but a staycation can be fun too. We've heard fishing mentioned by a few people! Take this time to sit back, relax and enjoy the quiet – it might not last for much longer. Half-term certainly won't!

To parents and grown-ups, we'd like to say a big thank you. Your job has not been easy. We know the children will be grateful – if not now maybe later on, when they appreciate the difficulty of your task. For us, your feedback, encouragement and kind words have been invaluable. So here it is:

Thank You

We're already working on the next learning packs and are trying to incorporate as much of your feedback for manageable, flexible learning as much as possible. Dare we say it – now is your chance to let us know what would help most. Get in touch in the usual way by emailing Mrs Toom, Mrs Horton or Mrs McNeil.

We don't have a list of activities to keep you busy – you're probably quite the experts at this already. If you haven't already tried them all, there was a range of activities on the Easter Holiday letter. Mrs Avery had a bird spotting first, a sedge warbler on the Gamston canal, and Mr Marshall is getting better and better at using his watercolours to paint some interesting landscapes.

Whatever you get up to, please make sure you stay safe. We're looking forward to hearing all your holiday news with lots of photos for our new Friend's Gallery.

Take care

Mrs Avery and Mr Marshall
