

## Hello lovely Year 5s!

How has your week been? We hope you're all feeling happy and well, even though the weather has been a bit grim! Let's hope for a sunnier last couple of weeks of term!

This is actually going to be our last letter to you as the tasks we have set on the website this week are going to last you for the whole 8 days that you are not in school over the next fortnight. So, firstly, we wanted to take the opportunity to thank you for all of your hard work and continued positivity over this term. We are so proud of the way that you have adapted to the circumstances we have found ourselves in this year. Don't forget that you have had a lot to cope with and get used to, it hasn't been an easy time and we have been so impressed with how quickly you established new routines and how hard you have worked on your home learning tasks. We have loved seeing the pictures of work that you have sent to us and we can tell how much effort you've put in, so thank you. It's also brought us so much joy to see your happy, smiling faces when you have sent us photos of you having fun, learning new skills and enjoying doing what you love. Well done, Year 5. We always say you're stars, you have most certainly shone and we've seen your sparkle -even from a distance!

You'll see that the main aspect of your final home learning challenge is a project, which we are excited for you to have a go at! You're going to reflect on your learning about the Amazon Rainforest and create your own 3D rainforest and supporting information. You're always so creative and we really can't wait to see what you produce! Remember, this is your final project of Year 5 and we've set it with the thought that it will take you longer than one week to complete, so we're expecting you to take real care and produce something that you're proud of! Of course, as we have said about your work every week, we would **love** to see your finished products! Email your pictures to [office@abbeyroad.notts.sch.uk](mailto:office@abbeyroad.notts.sch.uk), they will get forwarded to us. We can't wait to see them!

We're so excited to see lots of you over the next couple of weeks! But, for anybody who we don't see, we just wanted to say that we hope you have a lovely summer break. We've loved teaching you in Year 5 and we know that you are going to really enjoy Year 6! Keep working hard, keep smiling and keep being your wonderful selves. You're going to be great!

So now, for the final time, we will say 'keep happy, keep safe, keep smiling'! We'll see you soon 😊.

**From**

**Miss Healey, Mrs Dussek and Mrs Mitchell** 😊
