

Here are the titles of your final 5 maths lessons. You can fit them in whenever you would like to over the days that you are not in school across the last two weeks of term. Once you've finished all 5 lessons, see if you can play TTRS for at least 15 minutes on the other 3 days that you aren't in school 😊.

<p>Use the White Rose website to learn more about geometry and measures. Have a go at: Summer Term Week 12 (w/c 13th July), Lesson 1 'Metric units' https://whiterosemaths.com/home/learning/year-5/</p>	<p>Use the White Rose website to learn more about geometry and measures. Have a go at: Summer Term Week 12 (w/c 6th July), Lesson 2 'Imperial units' https://whiterosemaths.com/home/learning/year-5/</p>	<p>Use the White Rose website to learn more about geometry and measures. Have a go at: Summer Term Week 12 (w/c 13th July), Lesson 3 'Converting units of time' https://whiterosemaths.com/home/learning/year-5/</p>
<p>Use the White Rose website to learn more about geometry and measures. Have a go at: Summer Term Week 12 (w/c 13th July), Lesson 4 'Timetables' https://whiterosemaths.com/home/learning/year-5/</p>	<p>Play Times Tables Rockstars, 3 times and see if you can earn (at least) 150 coins each time you play!</p>	<p>Use the White Rose website to have a go at the: Summer Term Week 12 (w/c 13th July), 'Friday Challenge! The resources for this are on the White Rose website, rather than on our learning pack. https://whiterosemaths.com/home/learning/year-5/</p>

Remember to find the worksheets and answer sheets for lessons 1-4 on the learning pack, rather than the White Rose website. The video tutorials can be accessed either through the White Rose website or through the 'Video Links' document on the learning pack.

The 'Friday Challenge' questions can be found on the White Rose website 😊
