

Dear Parents, carers and children of Year 2,

We hope you have all had a lovely week – whether you have been continuing with your learning at home or whether you have been at school. 2MT it has been a JOY to see some of you at school – we have loved hearing your giggles bouncing off the walls again! 2WP we simply CANNOT WAIT to welcome you back next week. As you know, some of you will be in on Monday and Tuesday with Mrs Worton and some of you will be in on Thursday and Friday with Mrs Phillips. We know you will enjoy your time back in school.

Happy Birthday!

We have so many summer babies in Year 2! Another three fabulous children are turning 'super seven' this week! Happy birthday to Blake – whose birthday it is today! Have fun celebrating! We'd all like to wish a big 'Happy Birthday' to Nyomi too – we know you'll spend your special day giggling away! And Bobby, we hope you have lots of fun, making lovely memories on your birthday as well. What a lot of birthday cakes there are being enjoyed in Year 2 in July!!

Website updates

Thankyou for your emails and photographs Year 2. We have updated your pictures on our 'July updates from our friends' page. Make sure you have a look!

This week, we have an **extra challenge** for those who wish to take part... we would like you to send us 1 (and only 1!) photo that has been taken during your 'home learning' adventure which is special to you. It may be special for different reasons; maybe it is something that made you feel proud, or an achievement that made you smile? Maybe it is a particular memory that was made during that moment (perhaps something funny happened just before or just after it was taken)? Or maybe it's of a special day that happened in your family? It would be lovely to see these and for you to tell us why that photo is special to you. We thought it would be nice to share these with your friends too. We will be doing one more final update on the 'July updates from our friends' page on Thursday 23rd July, so if there are any pictures you would like to share with your teachers and your friends then please make sure these are emailed to office@abbeyroad.notts.sch.uk by then.

Also on the website, you will see that Mrs Worton has read 'The Pea and the Princess' by Mini Grey in our Year 2 story time clip. This is such a funny take on the 'traditional tale'. We hope you enjoy and that it makes you smile and giggle.

Home Learning WB 20th July

The resources needed for next week's 'Home Learning' on the Year 2 page of our website. The first link after this letter that you will find "**Read Me 20.07.20**" provides the outline for the week ahead. Please note, we do not expect EVERY task to be completed.

How did the secret pictures from last week go? Did anyone perform a 'grand reveal' to their family and loved ones?! This week, we'd like you to expand on the science experiment from last week – making your own rainbows – to creating a 'colour wheel' using skittles. Have a look at the activities listed for more details.

And finally...

This is the last week of 'home learning' as school breaks up for the summer holiday on Friday 24th July! Although this is never how any of us imagined our time together in Year 2 would play out, we feel very fortunate for the time that we have had to get to know each other, learn from each other and explore different topics together. There is no denying that it has been an unusual year, but, Year 2, we are so glad that we have had the pleasure of getting to know all of you... albeit for a shorter time than we would have liked! So, thank you to all the parents, carers and children of year 2. Your support and hard work, throughout this challenging time, has been noticed and appreciated greatly. 2MT and 2WP we are incredibly proud of how you have approached your 'home learning' and you all deserve a huge 'WELL DONE'. As we said in May, you are all ABBEY ROAD AWESOME!

Stay safe, take care and SEE YOU SOON!

From

The Year 2 Team x
